

Total rental time per Year/Month

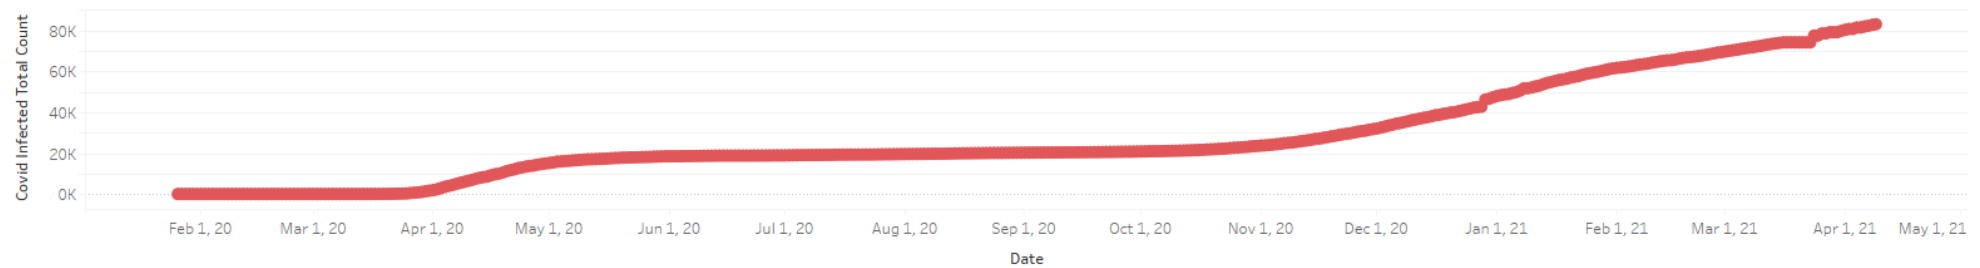

Total number of rentals

This bar graph shows a consistency of number or times bikes were rented over the past few years in time that the bikes were utilized. Summer months have the largest usage, with winter months the least.

Hudson County Covid count total (2020)

Even when the pandemic was in full swing, the bicycle rentals were similar to the prior year. The change seen is that those riding bikes tended to ride them for longer! Maybe more people desired to get out and exercise due to being stuck inside for longer periods.
